Subject: Revised ASHA incentives under NLEP program.

Reference to the subject mentioned above, the revised guidelines on ASHA incentives have been received from Government of India dated 3rd January, 2014. The incentives for National Leprosy Eradication Program (NLEP) have been revised as: - :-

S.No.	Activity	Revised Norms (in Rs.)
A.	National Leprosy Eradication Programme	
1.	Referral and ensuring compliance for complete treatment in pauci-bacillary cases of Leprosy	250 (for facilitating diagnosis of a leprosy case) + 400 (for follow up on completion of treatment)
2.	Referral and ensuring compliance for complete treatment in multi-bacillary cases of Leprosy	250 (for case detection) + 600 (for follow up on completion of treatment)

May kindly, ensure that these guidelines are immediately passed on to the MOICs involved in calculations and disbursement of these incentives.

The copy of this order is also being placed on the ASHA Portal.
