### **Terms of Reference (ToR)**

National Rural Health Mission (NRHM) of the Ministry of Health & Family Welfare (MoHFW) was launched on 12<sup>th</sup> April, 2005 by the Government of India (GOI) to improve medical facilities in the country. From 2013-14 onwards the NRHM programme has been subsumed under the umbrella programme of National Health Mission. NHM is overarching NUHM and also includes Communicable and Non-Communicable Diseases (NCD) as well. The NHM seeks to provide accessible, affordable and quality health care to the population, especially the vulnerable sections. It also seeks to reduce the Maternal Mortality Ratio (MMR) in the country from 167 to 100 per 1,00,000 live births, Infant Mortality Rate (IMR) from 40 to 30 per 1000 live births and the Total Fertility Rate (TFR) from 3.0 to 2.1.

2. One of the visions of the Mission is to increase public spending on health from 1.3% to 2-3% of GDP, with the improved arrangement for community financing and risk pooling. The NHM has provided an umbrella under which the existing Reproductive and Child Health Programme (RCH), various National Disease Control Programmes (NDCPs) and Non-Communicable Disease (NCDs) have been repositioned. National Urban Health Mission (NUHM) has also been added as Submission of National Health Mission.
3. At present the following Programmes/Schemes fall under the National Health Mission:
  - A. NHM-RCH Flexible Pool:
    - a) **RCH Flexible Pool** including Routine Immunization (RI), Pulse Polio Immunization (PPI) and National Iodine Deficiency Disorder Control Programme (NIDDCP).
    - b) **Health System Strengthening(HSS) under NRHM** including National Programme for Prevention and Control of Deafness (NPPCD), National Oral Health Programme (NOHP), National Programme for Palliative Care (NPPC), Assistance to State for Capacity building (Burn Injury), National Programme for Fluorosis (NPF).
  - B. National Urban Health Mission (NUHM) Flexible Pool.
  - C. Flexible Pool for Communicable Diseases:
    - a) National Vector Borne Disease Control Programme (NVBDCP),
    - b) Revised National Tuberculosis Control Programme (RNTCP),
    - c) National Leprosy Eradication Programme (NLEP),
    - d) Integrated Disease Surveillance Programme (IDSP).
  - D. Flexible Pool for Non-Communicable Diseases:

- a) National Programme for Control of Blindness (NPCB),
  - b) National Mental Health Programme (NMHP),
  - c) National Programme for Health Care of the Elderly (NPHCE),
  - d) National Tobacco Control Programme (NTCP),
  - e) National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS).
- E. State Specific Schemes i.e. Aam Aadmi Mohalla Clinic project (AAMC), Rogi Kalyan samiti (RKS), State specific Incentive for ASHA and contractual engagements under DSHM etc.

#### **4. Institutional and Funding Arrangements:**

For the implementation of the above programmes, MoHFW has required the creation of an Integrated Health Society at State and District levels (registered as a legal entity at the State and District under Societies Registration Act, 1860). Such integrated State Health Society (SHS) works in close coordination with the Directorate of Health & Family Welfare and District Health Societies (DHSs) work in coordination with the District Collector and District Chief Medical Officer (CMO). Program implementation is done through its District Chief Medical Officer's office, Facilities/units, Community Health Centres (CHCs), Primary Health Centres (PHCs), Sub- Centres (SCs), Rogi Kalyan Samities (RKS) and Village Health Sanitation & Nutrition Committees (VHSNC). Certain activities may be managed at the State level such as drug procurement, IEC, civil works, training using specialized entities such as SIHFW, IEC Bureau, PWD, the Directorate of Health and Municipal Corporations for the urban health components. In addition, funds are also released from SHS/ DHS to NGOs and private entities under public private participation (PPP) arrangements.

#### **Funding & Accounting Arrangements:**

Funds for the various programs are transferred from Pay & Accounts Office of MoHFW to the State Treasuries and then from Treasuries to the SHS functioning in the State. Government of India transfer funds in the form of Grants-in-Aid to State treasuries through RBI on the basis of respective State Programme Implementation Plans (SPIPs) and approved Annual Work Plans which are prepared on the basis of District Health Action Plans (DHAPs) of each of the districts in the State. Under the umbrella of the integrated SHS/DHS each program has separate bank account, separate books of accounts and other financial records as per the requirements of each program and also submit separate financial activity reports at varying frequencies to the respective monitoring units in MoHFW (GOI).

#### **5. Financing by Development Partners/ Donors:**

Some of the programs of NHM are also supported by development partners such as the Asian Development Bank (ADB), The Global Fund to Fight AIDS, Tuberculosis and Malaria (GFATM) /World Bank etc. for which credit agreements have been entered into by GOI with the respective development partners. Compliance with specific fiduciary requirements of the development partners will additionally need to be reported by the auditors. Copies of the legal agreements and other project documents will be provided to the auditors, if needed, by SHS/ concerned Programme Division in the State.
